**FINDING EASTER**

We find Easter where we find men and women alive with love for neighbours near and afar. We find Easter when we see people caring for each other in all the difficulties that life can bring. We find Easter when we see parents taking care of their children, even though it means giving up so much, so often. Whenever you and I bring some genuine life to another person, we are helping people to believe in the new life that Jesus offers through the earth-shattering event we call the Resurrection.

All this is so because the Resurrection of Jesus is not just a past historical fact. It is something that is present in our world at this very moment. As people of faith, we are asked always to remember Jesus' Resurrection and the hope that gives to us, no matter what is happening in our lives.

There are so many ways in which we can bring new life to our family and friends. It seems we can never get enough of a gentle and encouragement in our lives. On this Easter day may we allow the risen Jesus to bring new life to us. May we, in turn, bring that new life to one another.

*May the joy of the Lord's resurrection be with you  
and fill your hearts. HAPPY EASTER TO ALL!*
